

*I am fully committed to help you (my student) succeed in learning and doing well in Chemistry !*

*We will work together to identify and help you overcome barriers which get in the way of learning Chemistry and your future success,*

*I am committed in providing,*

*an authentic and stimulating learning atmosphere;*

*which offers you the opportunity to learn at a deeper, more meaningful and insightful level.*

*I hold several academic degrees from California State Polytechnic University in Pomona (Cal Poly Pomona):*

- *Bachelor of Science in Chemistry*
- *Master of Science in Chemistry*
- *Bachelor of Science in Chemical and Materials Engineering (A top-rated program by the Chemical & Engineering News publication)*

*My Chemistry background also includes years of industrial, and applied research experience as well as years of academic teaching and laboratory experience as well as completion of several, experiential and self-discovery workshops and short courses.*
